Re: Tennessee Gas Pipeline Company, Docket No. CP09-444-000
Abbreviated Application for a Certificate of Public Convenience and Necessary to
Construct, Install, Modify, Replace, and Operate Certain Pipeline and Compression
Facilities
Supplemental Response to August 21, 2009 Environmental Information Request

Dear Ms. Bose:

On July 17, 2009, Tennessee Gas Pipeline Company (“Tennessee”) filed the above-referenced certificate application with the Federal Energy Regulatory Commission (“Commission”) in Docket No. CP09-444-000. Tennessee is seeking a certificate of public convenience and necessity to construct, install, modify, replace, and operate certain pipeline looping and compression facilities to be located in Pennsylvania and New Jersey.

On August 21, 2009, the Commission issued an Environmental Information Request to Tennessee in the above-referenced docket, which included Data Request No. 10 (Resource Report 1). This particular data request requires Tennessee to provide any updates to Table 1.6-1, Permits, Licenses, Approvals, and Certificates Required for Construction, Operation, and Maintenance on the 300 Line Project, as the permit applications listed in the table are submitted to the appropriate agencies. Tennessee provided an initial update to Table 1.6-1 on September 10, 2009. . Enclosed for filing with the Commission is Tennessee’s supplemental response to Data Request No. 10 (Resource Report 1) which provides a further update to Table 1.6-1.

Tennessee is eFiling this document with the Commission’s Secretary in accordance with the applicable guidelines under the Commission’s Order No. 703, Filing Via the Internet, issued November 15, 2007 in Docket No. RM07-16-000.

Copies of this letter are being served on all parties on the official service list for the above-referenced docket. Copies of all attachments may be obtained by contacting the undersigned. Any questions concerning this filing should be addressed to the undersigned or to Mr. Thomas Joyce at (713) 420-3299.

Respectfully submitted,

TENNESSEE GAS PIPELINE COMPANY
